

OPENING OF FACIAL/PARTY/HYDRASESSION

Thank you so much for joining us. My name is LQ. My mission is to enrich women's lives. My vision is to help women live their best life eternally, externally and internally and my goal is to move to a higher position of leadership in my Mary Kay business.

What I'm looking for is level 10 confident women who have the courage to stand in the gap to help other women lead their best life.

By you being here today, you are helping me fulfill my mission, vision and goal so I'd like to thank you from a very grateful heart. Can't wait to meet the level 10 confident women.

Enough about me, I want to meet you!"

Listen, as they will either tell you their success story or their sad story as they go around the table!
