There are 5 STEPS to Healthy Skin: CLEANSE / EXFOLIATE/ TONE/ MOISTURIZE & PROTECT!

Let me show you how to use our World Class Miracle Set...afterall, our skin is largest organ, and cannot be replaced, so it's important to care for it. We do have multiple systems to meet a variety of skin care needs—including a Botanical, Men's Lin, Acne Line, Naturally Line & Anti-Aging Lines —Miracle & TimeWise Repair...

Today we're going to be focusing on one of our central age-fighting lines: MIRACLE SET

Did you know that our skin starts to break down collagen when we are in our TEENS and then ages even FASTER in our early 20's!!! Only 20% of our skin aging actually comes from getting OLDER!! The rest of the damage is from our lifestyle—diet, stress. Sun exposure, environmental conditions & pollution!!

OK.. 1st step in Skin care is: O/Free Eye Make-up Remover (show on back of hand) ... 29K lash mites daily! Yuck...remove them & condition lashes at same time...and removes lipstick too!

And the First Step of our TW3D is of course CLEANSER—you will want to use this from your 'bra line to your hairline! It has fine polishing beads that slough away dead skin gently...use am/pm This is a 4-in-1 Cleanser...has a toner build in as well as cleanses, exfoliates, and brightens skin (with a special Vit B Complex build in and is anti-aging!

All of this in about the size of a quarter...!! Customize for N-D or Combo-Oily! (7-14 days if don't cleanse am/pm!)

Next: Moisturize to protect and re-energize skin's natural glow—

AM-DAY CREAM/PM NIGHT CREAM...ok...who knows difference between a grape and a raisin??? MOISTURE.....we want our skin to be firm and plumped up like a grape...DAY CREAM comes with or without an SPF 30...this HYDRATES super effectively for 12 hrs...Day Moisturizer...reduces fine lines and wrinkles!!

NIGHT CREAM: boosts and restores as well as REPAIRS skin while body rests...and supports the collagen as well..use every night!

AGE MINIMIZING EYE CREAM: this absorbs quickly...you know the tissue around the eyes are telltale signs of age...we can look 10 yrs older or younger, based on the tissue, circles, wrinkles...or not!! Ring Finger...tapping motion stimulates oxidation of skin, promoting healthy, vibrant youthful eye area!~...helps soothe and de-puff, soften undereye circles and brighten/lighten this fragile eye tissue.....

Our final step for DAY to protect the skin is our CC Crème, or liquid/c-to-power or mineral foundation! To totally keep skin clean, and protect from the environment during the day!! Not to mention evens the tone, and gives a flawless look and feel to skin!!!

That's our world class TimeWise 3D Miracle Set...DEFENDS against age-accelerating free radicals w/multiple antioxidant benes/. DELAYS the look of premature skin aging w/UVA/UVB protection & DELIVERS visible improvement of multiple signs of aging in just 4 Wks.
